Greetings Goodwin Families!

We are happy to share that Goodwin School and the Acton Library will be hosting weekly summer read-alouds with some of your **favorite teachers** again this year! Each Monday night, teachers from Goodwin will choose favorite books to share with the children. Reading will be followed by pizza, and then a craft activity down in the Children's Room!

Be on the lookout for weekly emails from the Goodwin office to find out who our mystery teacher readers are for the week! Children may log in their weekly reading minutes at the library (or from home at <http://www.actonlibrary.org>) and earn "Acton Bucks." This year, students will earn a "BEAD CHAIN" and a "BRAG TAG," including many colorful, special beads to add each time they read for 20 minutes. The more you read, the more beads and brag tags you get! Children will also receive an extra bead for EVERY Acton event they attend! Children may also choose to spend their "Acton Bucks" on the Read to Feed program for rescued pets!

We will be promoting all summer Acton events to the children the last week of school with a PowerPoint presentation in the Library. We'll share this presentation with families as well via email.

We look forward to seeing you at Acton Library this summer and hope that students will check out piles of **GREAT books!**

For those dedicated readers who love pizza, but can't make it to Acton this summer, Luigi's Pizza is also offering gift certificates for a **FREE PIZZA!** You can be entered into this drawing by either logging in your reading minutes on the Acton Website, or submitting a summer reading log (copy to follow) with at least 10 books on it. The drawing for the pizza will be held during our first Goodwin Gathering of the new school year. Don't forget to bring those logs in the first day of school and give them to your teacher!
